**Guidelines for completing the 2023 General joint Research Report
(Self-Evaluation) form of Nagasaki University Institute of Tropical Medicine**

1. Notes on report preparation

Please keep the following in mind when preparing the report, as it will be printed as a bound manuscript without any modifications.

(1) Please complete "1. Project number," "2. Applicant name/ Joint researcher(s)," and "3. Amount Allotted" based on the results of the selection.

*If there are multiple joint researcher(s), write their names, affiliations, and positions also.

(2) In "4. Outline, purpose, and contents of research seminar " please provide the same information as in section 3 of the FY 2023 application for Outline, purpose, and contents.

(3) The '5. Implementation Report' should be between two to three pages long.

(4) Combine 'Self-Evaluation' and 'Achievement Level' into one page on the new page.

2. Where to submit reports

(1) Please submit both PDF and Word files.

(2) Please change the file name to ' Project number_ApplicantName'.

(3) Please access the URL below and upload your application documents.

(URL for submission)

https://nudrive.nagasaki-u.ac.jp/public/IAI7ADLAs9AFBOnjqnsAPmeByVFhB_PSKfZMq8GNkbeV

(4) After submitting the report, please contact us via email following the guidelines below.

a) Mail to soumu_nekken@ml.nagasaki-u.ac.jp

Attention to Infectious Disease Research Support Planning Division

b) Mail title: Joint Research/Research Seminar Application / Applicant's name

c) Precautions when sending email :

Send the notice from your own mailing address included in the application form.

Ensure your mailer can accept mails from soumu_nekken@ml.nagasaki-u.ac.jp.

without auto- rejection.

3. Submission Deadline

Monday, May 27, 2024.

4. Acknowledgment of Public Display of Research Results

When publishing the results of your research in an academic paper, make sure to include a statement in the acknowledgments section that the research was a result of joint research or a research meeting and that the Institute's facilities were used.

Example Entry :

- This work was partly conducted at the Joint Usage / Research Center on Tropical Disease, Institute of Tropical Medicine, Nagasaki University (※2023-A-1, 2023-A-2, etc.).
- This work was supported by the Joint Usage / Research Center on Tropical Disease, Institute of Tropical Medicine, Nagasaki University (※2023-A-1、 2023-A-2、 etc.).

*Clarify the adoption number as indicated in the notification of selection.

5. Research Reports and Publicizing Research Results

Reports and papers submitted will be published in the Institute's annual report and on the Institute of Tropical Medicine website. Please contact us if you encounter any issues with the publication of your paper.

Additionally, we intend to promote exceptionally noteworthy outcomes through the media. If we plan to publicize information through the media, we will inquire whether it can be disclosed beforehand and make arrangements accordingly.
