### **The 14<sup>th</sup> Awaji International Forum on Infection and Immunity**

If you attend 4th Young Researchers Forum on Infectious Diseases, registration fee for 14th Awaji International Forum on Infection and Immunity will be discounted.

Regular: From 20,000 yen to **10,000 yen.**

Student: From 8,000 yen to **Free.**

### **Support for travel (domestic travel only), registration, accomodation and meal.**

Presenters whose status is either a student, a post-doc, or an assistant professor (or equivalent position) may be supported for their costs for travel, registration, accommodation and food. We will select 15-20 recipients based on the background and abstract. If you wish to apply, please fill the registration form. **If you will be selected, travel cost will be covered and the initial payment for registration, accomodation, and meal will be reimbursed later.**

(Note that you need to pay 22,000 yen at the beginning anyway.)

■Registration and Abstract submission

Deadline: **June 30 (Tue), 2015.**

Please fill **Registration** and **Abstract** document, then please E-mail to administrative office (**admin-prot@tm.nagasaki-u.ac.jp**).

You can choose Oral presentation (Oral + Poster presentation) or Poster presentation (Poster presentation only).

If you have any question about the forum, please contact to executive committee members or administrative office.
