

■ Confirmation of Membership Status and Registration Fee Category

To ensure fair handling of the member and non-member registration categories at the 66th Annual Meeting of the Japanese Society of Tropical Medicine (JSTM), membership status will be confirmed as outlined below.

Please note that membership status cannot be confirmed immediately before or on the day of the conference and will be determined based on your status as of 5:00 p.m. on Friday, November 21, 2025.

If you have registered as a “member,” but your JSTM membership cannot be confirmed, you will be asked to pay the difference between the member and non-member registration fees at the on-site registration desk on the day of the conference.

We kindly ask for your understanding and cooperation in this matter.

If you wish to become a JSTM member, please complete your membership application in advance through the link below.
