編集後記

2005年4月の赴任後、まずは今までの専門家の報告書を読みあさり、本プロジェクトの位置づけを自分なりに把握することからはじめた。その結果、プロジェクトでこれまでに蓄積された経験や苦労が膨大であることに改めて気づき、何とかして専門家とカウンターパートの足跡を残したいと考えたのが、本誌編纂に思い当たったきっかけである。狩野所長に御相談したところ、「それは何が何でもやらなくてはいかん」とのお言葉をいただき、各関係者への寄稿募集の労をお取りいただいた。寄稿をお願いする方は僭越ながら現プロジェクトのメンバーで選考させていただき、国内委員とリーダー、長期間ないし複数回赴任された専門家を基準としてお願いした。10年、20年経って突然なつかしのケニア関連の文書が舞い込んだ先生方はさぞかし驚かれたと思うが、多くの方に御理解をいただき当時を振り返っていただいた。本書は終了時評価、ODA評価の如く専門的にプロジェクトを分析したものではなく、プロジェクトが幕を閉じる今、関係してきた多くの方々の「思い入れ」と現場での「所感」を記録しておこうというものである。いわゆる「資料」モノは必要最低限とし、本協力を振り返る際にどうしても必要な資料、すなわち全国内委員、専門家リスト、論文/学会リスト、カウンターパートリスト、カウンターパート海外研修リストの最小限とした。実は、投入リストもかなりの時間をかけて用意したが、中途でこの趣旨に合わないと判断し割愛させていただいた。また、和文献の情報も集めたが、これは紙面の都合上省略せざるを得なかった。これらのリスト作成にはできる限り正確を期したもの、10年以上前になると資料も残っていないことが多く、不正確な情報も混じっている可能性がある。殊に派遣元には空欄が多く、文献集においては、「この頃書いたはずのあの文献が載っていない」とのお叱りの声が今にも聞こえてきそうである。伏してお詫び申し上げたい。

繰り返しになるが、本書の目的はエッセイに記された、関係者の生の声を残すことにある。ここには伝統ある KEMRI/JICA プロジェクトが如何に生まれ、育ち、巣立ったか、が語られている。本書が関係諸氏はもちろん、医療プロジェクト、研究プロジェクトの案件形成、モニタリングの参考になれば幸いである。最後に、この冊子出版に当たっては日本大使館、KEMRI、JICA ケニア事務所、JICA 本部の絶大なるご支援、ご協力をいただいた。厚く御礼申し上げたい。
