

Form 2

# List of Publications

Name \_\_\_\_\_

Publications should be categorized by and sequenced from top to bottom as follow: original articles, review articles, case reports, and books. For each category, publications should be shown by reverse chronological order and identified by a number, starting with 1. Conference abstracts and research reports not peer-reviewed should be excluded.

List all co-authors with the exact sequence noted in the original. Underline your name.

Circle the number of SCI / SSCI published articles.

Original articles<sup>1)</sup>, review articles<sup>1)</sup>, case reports<sup>1)</sup>, and books<sup>2)</sup>.

1) Authors' name, title, journal name, volume, first and last page numbers, and year

2) Authors' name, title, first and last page numbers, publisher's name, and year
