**\* Sections 4–9 must fit within four pages.**

**4. Research Outline**

(Provide a concise description covering the contents of Sections 5–8. Within 800 words.)

**5. Background of Research**

\*Describe academic background, origin of the idea, trends in related fields, and position of this research.

**6. Research Purpose**

**7. Research Progress**

(\_\_\_\_th Year of Continuation)

**8. Research Details**

(\_\_\_\_th Year of Continuation)

\*Please clearly describe the relationship between this research and NEKKEN (the Institute of Tropical Medicine).

“If the research project being applied for spans three years and this application pertains to the second year, please also include the plan and outline for the third year.”

**9. Anticipated Results**

## 10. Research achievements

\*Provide major research articles (from 2023–2025) for the PI and Co-investigators (excluding NEKKEN Counterparts).

\*List in reverse chronological order and underline your name.

\*If you have any publications reporting the results from the 1st year or 2nd year, please mark the corresponding number with a circle.

Example: Title, Authors, Journal, Volume, Pages, Year.

### 11. Status of research funds related to the research

- \* Please be sure to specify the source of the research funds to be supplemented when part of the overall plan is implemented with the research fund.
- \* Example: Name of fund, name of the institution / organization that issued the fund, the amount, and research period (including pending applications).
